## Affordable Places to Visit While Traveling In Europe: Gondolas to Castles, Check Them out

Gondola rides are part of what Venice, Italy is known for. With the city slowly sinking, you can take a tour through the canals. To save money on gondola rides, try these tips:

- Take a tour at night
- Go through the less touristy canals
- Go with a group of people
- Book directly through the gondoliers

If you plan on spending money on site seeing, tour places, such as:

- The Neuschwanstein Castle in Germany
- The Eiffle Tower in Paris.
- From the fountains and lights at the tower at night, to the snowy mountains and massive trees surrounding the castle, be sure to bring a camera!
